Ryan Schmidt

Image	Title	Size (H x W)	Media	Price (US\$)
A photograph of a sculpture titled "A Tango" by Ryan Schmidt. The sculpture is made of polished, reflective metal (stainless steel) and consists of two curved, elongated forms that rise from a dark, circular base. The forms are positioned close together, creating a sense of tension and movement, reminiscent of a tango dancer's pose. The background is plain white.	A Tango	32x12 in (81x31 cm)	Metal, Stainless Steel	\$ 5,800
