

IQI QOROR

Born in Indonesia, Iqi Qoror holds a Master's Degree in Fine Art from the Indonesian Institute of the Arts. His artistic style revolves around themes of trust, interspersed with fragments of modernity that reflect his own social experiences. Qoror's multimedia works incorporate painting and embroidery, and delve into themes of identity and human connection.

Qoror's dedication to pushing artistic boundaries is evident in his experimental and versatile

approach to his art practice, which ranges from installations to mixed media paintings. His unique perspective and skill have earned him a reputation as one of the fastest rising stars in the Indonesian art scene.

Qoror's growing international profile is evidenced by his exhibitions in major art hubs such as Singapore, Hong Kong, and Los Angeles. As the South East Asian art market continues to dominate, Qoror has attracted a growing international collector base.
